New Internet Advertising Program

New for 2009 we are launching our internet advertising program. This is a cost effective way to reach brides across the Treasure Coast, most of whom now search the web before any other means of finding vendors for their wedding. The redesign of TCBRIDES.COM now allows for even greater search engine visibility and a new real time leads program. All of this at a very affordable rate.

Basic: Includes company name, address and phone number. Only 48.00 a year (with link back)

Silver Listing: Company info, plus one photo and a link to your website. 89.00 yr (with link back)

Gold Listing: Up to 3 photos, 3 lines of add'l text, and a link to your site. 99.00 yr (with link back)

Banner Ads are coming soon too, so give us a call for more details!!

*linkbacks are a listing on your website back to TCB. Inbound links are one of the fastest ways to improve your search engine ranking so the more inbound links you have the higher you rank in the search engines. The same goes for TCB. All of can help us become even higher ranked simply by placing a link back to us. This helps all of us, as the more brides register, the more leads we get.. The higher we rank in the search engines, the more brides visit, and thus register, not to mention seeing your ads!!!
